THE STORY

Someone who always holds the winning hand — and you play anyway, because losing to them still feels like winning.

Game

VERSE 1

You move the pieces, I play along,
Every step feels right, but also wrong.
A dangerous rhythm, I can't explain,
Caught in your shadow, trapped in the game.

PRE-CHORUS

Whispered rules I'll never win,
Once I'm in, I can't begin.
Every turn pulls me deeper still,
You hold the cards, you break my will.

CHORUS

This game we play, no way to hide,
I'm lost in you, the losing side.
The stakes are high, the rules are flame,
But I can't stop, it's all a game.

BRIDGE

No winners here... only players.

FINAL CHORUS

This game we play, I can't escape,
Your touch rewrites the moves I make.
The stakes are high, I feel the blame,
But I'm still trapped inside your game.
