THE STORY

No reason, no warning, no memory, no future — nothing has to happen first. Just pulse beneath the surface, only frequency, and I have never felt more alive.

INTRO

No reason.
No warning.
No beginning.
Just this.

VERSE 1

A pulse beneath the surface,
a signal in my blood.
Nothing had to happen.
I knew what it was.

No memory awakened.
No future in my sight.
Only every part of me
becoming amplified.

PRE-CHORUS

I don't need to name it.
I don't need to know.
When the feeling finds me,
I let everything go.

CHORUS

Euphoria needs no story.
Let it move,
let it move through me.
Euphoria needs no story.
No words -
only frequency.

TRANCE DROP

Euphoria...
No story.
Euphoria...
Only frequency.

VERSE 2

No hero and no ending.
No promise to believe.
Nothing lost or missing.
Nothing underneath.

Every sound surrounds me.
Every rhythm multiplies.
I am not becoming -
I have never felt more alive.

PRE-CHORUS

I don't need to name it.
I don't need to know.
When the feeling finds me,
I let everything go.

CHORUS

Euphoria needs no story.
Let it move,
let it move through me.
Euphoria needs no story.
No words -
only frequency.

SECOND TRANCE DROP

Euphoria...
No story.
Euphoria...
Only frequency.

BREAKDOWN

No past.
No future.
No answer.
No why.
Just a feeling
too alive to describe.

BUILD

No reason.
No warning.
No story.
Just -
Euphoria.

FINAL CHORUS

Euphoria needs no story.
Let it move,
let it move through me.
Euphoria needs no story.
No words -
only frequency.
Euphoria needs no story.
Nothing else needs to be said.
Euphoria needs no story.
Just the rhythm
in my head.

FINAL TRANCE DROP

Euphoria...
No story.
Euphoria...
Only frequency.

OUTRO

No story.
Just this.
