Where the World Turns Gold

VERSE 1

We drove all night with nowhere left to go.
The city disappeared behind the rain.
You said the morning always finds us,
even when we lose our way.

PRE-CHORUS

And every road is changing,
but I know what I have found.
When I am there beside you,
nothing can pull us down.

CHORUS

Take me where the world turns gold.
Where the air feels young and wild.
We don't need to know tomorrow.
We can leave it far behind.
Take me where the world turns gold.
Let the moment carry on.
If I have you here beside me,
I will never feel alone.

VERSE 2

We watched the coastline open
underneath the fading sky.
Your fingers found mine in the glow.
I never knew that getting lost
could be the only way to know.

PRE-CHORUS

And every road is changing,
but I know what I have found.
When I am there beside you,
nothing can pull us down.

CHORUS

Take me where the world turns gold.
Where the air feels young and wild.
We don't need to know tomorrow.
We can leave it far behind.
Take me where the world turns gold.
Let the moment carry on.
If I have you here beside me,
I will never feel alone.

OUTRO

If I have you here beside me,
I will never feel alone.
