THE VERSIONS

ONE SONG. THREE VERSIONS. ONE CLEAR MESSAGE.

Silence for Crazy Bitches turns relationship drama into dancefloor energy, featuring vocals by Max Liem. This release brings together three different takes on the same story: the percussion-driven Original Tribal Version, the melodic Trance Version, and the darker Techno Version.

SILENCE FOR CRAZY BITCHES

INTRO

Ooh, ooh, ooh...
Listen to me now...

VERSE 1

I gave you the key to my soul, yeah
I thought you could handle control, oh boy
But you bring the noise and your drama scenes
I'm tired of playing with your twisted dreams
My love is a treasure, it's not a game
So why do you always keep calling my name?

PRE-CHORUS

I told you before, don't you fake it!
My heart is right here, don't you break it!
But if you can't stop all this madness and lies
Look at the fire that burns in my eyes!

CHORUS — VOCAL HOOK

SHHH...
SILENCE FOR CRAZY BITCHES!

DROP

SILENCE!
KEEP IT QUIET.
LET THE DRUMS TALK.
SILENCE FOR CRAZY BITCHES!

SILENCE FOR CRAZY BITCHES

VERSE 2

Oh boy, I don't know what you do
Why you let the drama take control of you
If you want my heart, you gotta come correct
Give me something real, give me some respect
I rule this floor, you just make a scene
I'm done with the drama, you know what I mean
No more games, no more fights tonight
Just look at me now under the strobe light!

PRE-CHORUS

I told you before, don't you fake it!
My heart is right here, don't you break it!
It's time to shut up, it's time to play fair
The bass is dropping, it's everywhere!

CHORUS — VOCAL HOOK

SILENCE...
SILENCE FOR CRAZY BITCHES!

MAIN DROP

SILENCE!
NO MORE DRAMA.
MORE DRUMS.
SILENCE FOR CRAZY BITCHES!

OUTRO

You could have my heart...
But you chose the drama.
Shhh...
Silence.
(Final deep sub-bass drop)

SPECIAL PIANO VERSION

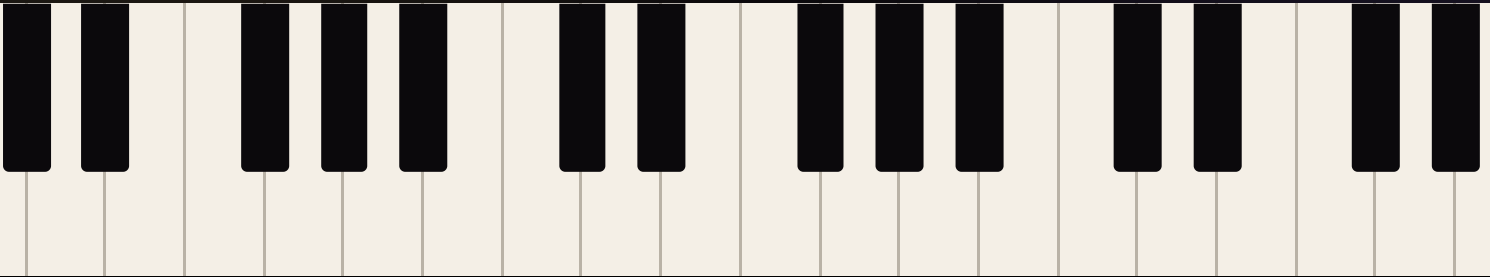

The Special Piano Version reveals the quieter side of *Silence for Crazy Bitches*. With piano and vocals at its heart, the lyrics become an intimate reflection on love, disappointment and choosing peace over drama.

The dancefloor energy gives way to space, vulnerability and emotion — a different way to hear the same story.

Featuring vocals by Max Liem.

A special bonus track from *Silence for Crazy Bitches (The Versions)*.
